LIGHTWEIGHT CHAMPION RETAINS TITLE IN FIERCE FIGHT

Leonard Turns Defeat Into Victory by Great Rally in Ninth Round

Battered and Bleeding From Nose and Mouth, the Lightweight Champion Recovers in Vicious Battle With Rocky Kansas and Floors His Man for a Count of Eight in the Eleventh Session.

By W. O. MCGEEHAN.

Benny Leonard, lightweight champion of the world, retained his title Madison Square Garden last night, but for seven or eight rounds he had the inmates of The Bronx and environs on the verge of nervous prostration. But after the eighth Leonard, who started out in a jaded fashion, began to fight like a champion. In the eleventh he dropped Rocky Kansas for the count of eight with a left hook to the jaw. The title was safe after that. Benny did not escape without some damage to the pulchritude which is so admired in The Bronx. In the fourth round the Buffalo centender, who has no pulchritude to mention, gashed Benny with a left to his nose. The blood started and flowed fitfully from the organ through the remainder of the bout annoying the champion and interfering with his breathing.
